

Invitation letter Holland Career Fair 2019

Dear Mr./Mrs. Principal,
Dear Department of International Relations,

Nuffic Neso Vietnam and The Dutch Business Association in Vietnam (DBAV) have joined hands to organize the first **Holland Career Fair** in Vietnam in August 2019. The event is to connect Dutch businesses in Vietnam, as well as businesses that have a close link to the Netherlands, with not only Holland Alumni in Vietnam and talented students from local universities/higher-education institutions that have existing co-operations with Dutch Higher Education equivalents, but also fresh graduates and young professionals in the country.

Holland Career Fair 2019 enables your students to have the opportunities to join the pre-selected job interviews for part-time/full-time positions or internships, to network with recruiters from Dutch companies, to have a boarder view of the Dutch working culture, to approach the Dutch industries, and also to join different useful activities such as: HR talk, demonstration workshop, etc.

Therefore, we would like to cordially invite you to join our event and appreciate for the support from your department of international relations to spread news to your 3rd, final year students, as well as your alumni to register for the pre-selected interviews.
